DIPLOMA IN BIG DATA FOR BUSINESS

It is the **students responsibility** to ensure that they are familiar with their examination dates and times.

On the day of the exam, ensure that you have accessed the Moodle page at least **fifteen minutes** before the examination commences.

Note the correct date and time for each examination. In doing so it is important to note your Module Code and Course Code.

A missed exam due to incorrect reading of the timetable will result in a fail for that exam.

You will have 30 minutes after your exam ends to upload your submission.
