

Higher Diploma in Science in Computing - Part Time - March 2018

It is the **Students responsibility** to ensure that he/she is familiar with their examination dates and times

Ensure you are at your examination location at least **fifteen minutes** before each examination

Please ensure you note the correct date and time for each examination. In doing so it is important to note your Module Code and Course Code

A missed exam due to incorrect reading of the timetable will result in a fail for that exam

The column "Type" on the timetable refers to the file types you may encounter for your exam. Please refer to the below table to determine the type of upload you may be expected to submit.

Types of Upload	
1	Type your answer into a document and upload the file to the exam submission link. You will have an additional 30 minutes to upload the file after the exam has finished.
2	Combination of typing and handwriting (as required for calculations or diagrams). You will need to take a picture of your handwritten work and insert the picture into a document. You will have an additional 1 hour to upload the file after the exam has finished.
3	Part or all of the exam will be deployed as a quiz in Moodle and answers input directly (e.g. MCQs and similar questions). For papers which also include longer written questions, these will be completed in a document and uploaded separately. You will have an additional 1 hour to upload the file after the exam has finished.
TBC	To be confirmed - Please check the exam timetable periodically for updated information.
