

Please read the important information below before continuing

The timetable is provisional and subject to change.

IF THERE ARE ANY QUERIES IN RELATION TO THE TIMETABLE, PLEASE EMAIL exams@dbs.ie

If you have an exam clash, please notify the Exams Office immediately.

All exams will take place as per the scheduled timetable (Dublin Time).

It is the **students responsibility** to ensure that they are familiar with their examination dates and times.

NEPs - The Exams Office will email you in relation to your accommodations at least two weeks prior to your examination. If you have not received an email by this date, please contact us immediately.

On the day of the exam, ensure that you have accessed the Moodle page at least **fifteen minutes** before the examination commences.

Note the correct date and time for each examination. In doing so it is important to note both Module Code and Module Title.

A missed exam due to incorrect reading of the timetable will result in a fail for that exam.

You will have 30 minutes after your exam ends to upload your submission. Late Submissions cannot be accepted.

Date	Time	Module Code	Module Description	Location
04 January 2022	18:30 - 20:30	B8IT156	Data and Network Mining	Online
Repeats (Second Attempt)
