Higher Diploma in Science in Computing (Web & Cloud Technology)

It is the **students responsibility** to ensure that they are familiar with their examination dates and times.

On the day of the exam, ensure that you have accessed the Moodle page at least **fifteen minutes** before the examination commences.
Note the correct date and time for each examination. In doing so it is important to note your Module Code and Course Code.
A missed exam due to incorrect reading of the timetable will result in a fail for that exam.

You will have 30 minutes after your exam ends to upload your exam.
