

This programme is blended. This means you may have some face-to-face, on campus classroom delivery live online and on demand content. The face-to-face, on campus classroom delivery will be shown on your timetable. In addition, some classes are delivered as on demand content which means you may have videos and learning materials to engage with alongside your timetable. Please consult your Module and Assessment Guide and Moodle page for information, once the term has commenced. The timetable below is for indicative purposes only, e.g you might not have a live online or on campus class at the times noted below every week.
