MSc in Data Analytics (Sept 2023 Intake) PART TIME
Timetable
2023-2024

This programme is multimodal. This means that some lectures are in-class on campus, some are live online through zoom and some are on demand, which you work through in your own time and at your own pace. The in-class and live online lectures are shown on your timetable. The on demand lectures are available from links on your Moodle pages, and you will be directed on when is best to access them by your lecturer.   Please consult your Module and Assessment Guide and Moodle page for more information, once the term has commenced. The timetable below is for indicative purposes only, e.g you might not have a live online or on campus class at the times noted below every week.
