NEPs - The Exams Office will email you in relation to your accommodations by 24th July 2020. If you have not received an email, please make contact with us immediately.

Please ensure you note the correct date and time for each exam - failure to do so will result in a fail for that exam.

Full and detailed instructions will be issued on your Moodle page under the 'Online Exams' section by 24th July. A 'sample assessment' will be set up on the Moodle page to allow students to practice creating a document and uploading it to Moodle.

On the day of the exam, download the Exams Answer Template and clearly mark the questions you have answered. Once you have completed the exam, upload this document to the submission link provided on the Moodle page.

The column "Type" on the timetable refers to the file types you may encounter for your exam. Please refer to the below table to determine the type of upload you may be expected to submit.

Types of Upload	
1	Type your answer into a document and upload the file to the exam submission link. You will have an additional 30 minutes to upload the file after the exam has finished.
2	Combination of typing and handwriting (as required for calculations or diagrams). You will need to take a picture of your handwritten work and insert the picture into a document. You will have an additional 1 hour to upload the file after the exam has finished.
3	Part or all of the exam will be deployed as a quiz in Moodle and answers input directly (e.g. MCQs and similar questions). For papers which also include longer written questions, these will be completed in a document and uploaded separately. You will have an additional 1 hour to upload the file after the exam has finished.
