If you have an exam clash, please notify the Exams Office immediately.

All exams will take place as per the scheduled timetable (Dublin Time).

It is the **students responsibility** to ensure that they are familiar with their examination dates and times.

On the day of the exam, ensure that you have accessed the Moodle page at least **fifteen minutes** before the examination commences.

Note the correct date and time for each examination. In doing so it is important to note both Module Code and Module Title.

A missed exam due to incorrect reading of the timetable will result in a fail for that exam.

You will have 30 minutes after your exam ends to upload your submission. **Late Submissions cannot be accepted.**
